

Missouri Vocational Enterprises is an agency under the Division of Offender Rehabilitation Services within the Department of Corrections. Our mission is to consistently exercise a commitment to developing personal responsibility in offenders through the development of diverse training programs that enhance offender employability and the opportunity for success while incarcerated and upon release.

Part of the mission is teaching the offenders a manufacturing trade which includes but is not exclusive to constructing furniture, sewing, tire recycling, signing, printing etc.

The MVE procurement section handles the processing of purchases for all required raw materials necessary in the manufacturing facilities. Brief descriptions of the raw materials we purchase or obtain contracts for are below:
